

# Discussion of Palestine: Peace, Not Apartheid

Tuesday, November 20<sup>th</sup> 2007 7 pm  
Albuquerque Peace and Justice Center, 202 Harvard SE

Let's examine the controversial issues of international law and foreign policy raised in this provocative book, through summaries of opposing views and open discussion. Did Carter go too far branding Israeli policies in the Occupied Territories as apartheid? Did Carter concede too much by declaring Arab-Israelis and Jewish-Israelis in Israel are treated equally under Israeli law? Has the book had an impact?
